

**UEFA European football available
for everyone at Ziggo Sport**

Also if you don't have Ziggo

Contents

Experience all the UEFA European football at Ziggo Sport

From August you will experience the UEFA Champions League, the UEFA Europa League and the UEFA Conference League in one place, only at Ziggo Sport.

And if you don't have Ziggo, you can follow the matches played by Dutch clubs, as well as the finals, with **Ziggo Sport Free**. It's easy with the Ziggo GO app.

Do you have Ziggo? Then you can simply watch **Ziggo Sport** on your TV at channel 14. You'll be able to see matches any-time games are being played, up to and including the finals, even if no Dutch club is playing. If you really don't want to miss anything, you can choose for **Ziggo Sport Totaal**. You'll be able to see everything, including all the highlights at the same time with Ziggo Sport Switch.

FAQ

What is Ziggo Sport?

Ziggo Sport is the sports channel in the Netherlands and is available exclusively for Ziggo customers. At Ziggo Sport, you can enjoy some of the most popular sports, including football, tennis, hockey, rugby and racing. And starting this August, you'll also be able to watch UEFA European football.

What is Ziggo GO?

Ziggo GO is an app that lets you watch online TV on different devices. Don't have Ziggo or Ziggo Sport Totaal? Then you can still watch the matches of Dutch clubs and the finals with Ziggo Sport Free using the Ziggo GO app.

What is streaming?

Streaming means playing back music or video files on a device via the internet. Streaming somewhere means wirelessly playing files from one device on another device. That is exactly what happens when you stream something to your television.

What is Ziggo Sport Switch?

This is Ziggo Sport's highlights program where you can see all the goals, highlights and other key moments live during UEFA European football. Ziggo Sport Switch is only for customers with a Ziggo Sport Totaal package.
